- * God to bring us 25 churches and 50% support by the end of winter
- * Vehicle maintenance and safe travels
- * God to fill our schedule for 2021

Two Months and Five States

I'm sure many of you already know this, but babies take a lot of time. After the first month of adjusting to little sleep, we have finally gotten into a routine. My wife has had a servant's heart through all of it, and I am truly blessed to have her. Our little boy has already taken to travels like a champ! At only two months old, he has already been in five states. God has blessed us with safety and good health, and he sleeps most of the time we are driving.

We lost a few meetings at the beginning of September, but God knew that we would need the time to recover from the birth. However, we got back to meetings in the middle of September, being in Pennsylvania, Maryland, New York, and Michigan, including several missions conferences and one VBS. It was a blessing to be able to serve! Our meetings have been wonderful; God has allowed us to have fruit among you, which abounds to your account!

The next two months are rather uncertain for us. Several of our November meetings had to be rescheduled, but I have already been in California (Lena and Simeon remained at home due to his vaccinations) and we still have meetings in Pennsylvania and Ohio. We were planning to go to Germany in December to help the Petersons with a Christmas outreach distribution, but with travel from the United States banned at the moment and no outlook to change soon, we are anticipating that we will need to cancel that trip. We have also had issues getting the paperwork for Simeon. Please pray that we would be able to travel soon; this trip is already a year-and-a-half in the planning. God has His perfect timing, we know, but we are eager to be at work on the field.

God is continuing to bless our ministry, however. We now have 15 supporting churches, and are now approaching a third of our needed support. Thank you all so much for your prayers! We could never have expected what this year would hold at its outset, nor could we have imagined how God would direct our paths, but He receives all the glory for all He has done. We are praying that we would reach 25 supporting churches and 50% by the end of winter. With our schedule being a little barren at the moment, we know it will be by God's grace entirely, and we know He is able! Please pray with us to this end, and that our schedule for 2021 would fill up more.

We also made very good friendships during our last two months. Between the pastors, those who opened their homes to us, those who took us out for dinner, those who worked along side of us, and those that greeted us and made us feel like family, we are truly reminded that we are in one accord in the Spirit of God. You will be in our prayers, as we are assured that we are in yours!

One special answer to prayer: Lena was approved for her green card! Thank you for your prayers!
